**Year-Round Water Conservation Begins Today In South Florida**  
*Permanent landscape irrigation measures help foster a lasting conservation ethic*

  
**year-round conservation measures**  
(Graphic link above available for your web site)

**West Palm Beach, FL** – Year-round water conservation measures to better protect South Florida’s water resources begin today, with the start of permanent limits on landscape irrigation throughout the South Florida Water Management District (SFWMD).

**Option for 3-Day-a-Week Watering**

- Unless local ordinances are enacted, in Broward\*, Collier\*, Glades, Hendry, Lee\*, Martin, Miami-Dade\*, Monroe, Palm Beach and St. Lucie counties. (See below for exceptions created by local ordinances.)
- Residents and businesses with an **odd-numbered** street address may water lawns and landscapes on **Mondays, Wednesdays and/or Saturdays, only before 10 a.m. or after 4 p.m.**
- Residents and businesses with an **even-numbered** street address **no street address** or those that **irrigate both even and odd addresses** within the same zones, which may include multi-family units and homeowners associations, may water lawns and landscapes on **Tuesdays, Thursdays and/or Sundays, only before 10 a.m. or after 4 p.m.**
- Exceptions by local ordinances (for more details, check local ordinances or visit [www.sfwmd.gov/2days](http://www.sfwmd.gov/2days)):
  - \* In Miami-Dade and Broward counties, residents and businesses should follow the counties’ two-day-a-week schedule.
  - \* Unincorporated Lee County and the City of Cape Coral have their own local ordinances that limit landscape irrigation to two days a week.
  - \* Collier County has its own local ordinance that limits landscape irrigation to three days a week during fewer hours.
