September 4, 2007

DEAR CRESSON ISLAND HOMEOWNER:

On Thursday and Friday, September 20TH and 21ST, Duraseal will perform the Cresson Island road sealcoating project for the entire community. The project will take two (2) days to complete with half of the community being done each day. (Weather permitting). **NOTE: Recycle trash will not be picked up on Saturday, September 22nd. Please take your garbage to the bridge for pickup so the trash trucks won't come in the community on Saturday.**

Enclosed please find for your review, a map depicting the area to be completed on **Thursday (North Side – Lots 01 thru 10)** and the area to be done on **Friday (South Side – Lots 11 thru 22)**.

In order for the surface to properly cure and to prevent tracking of the substance in driveways, we ask that you avoid driving on the new surface for 24 hours.

By Thursday morning at 8:00 a.m., it will be necessary for all residents living on the North side of the road to park your cars in unoccupied driveways, or on the street of the opposite side of the community. On Friday, residents living on the South side will do the same.

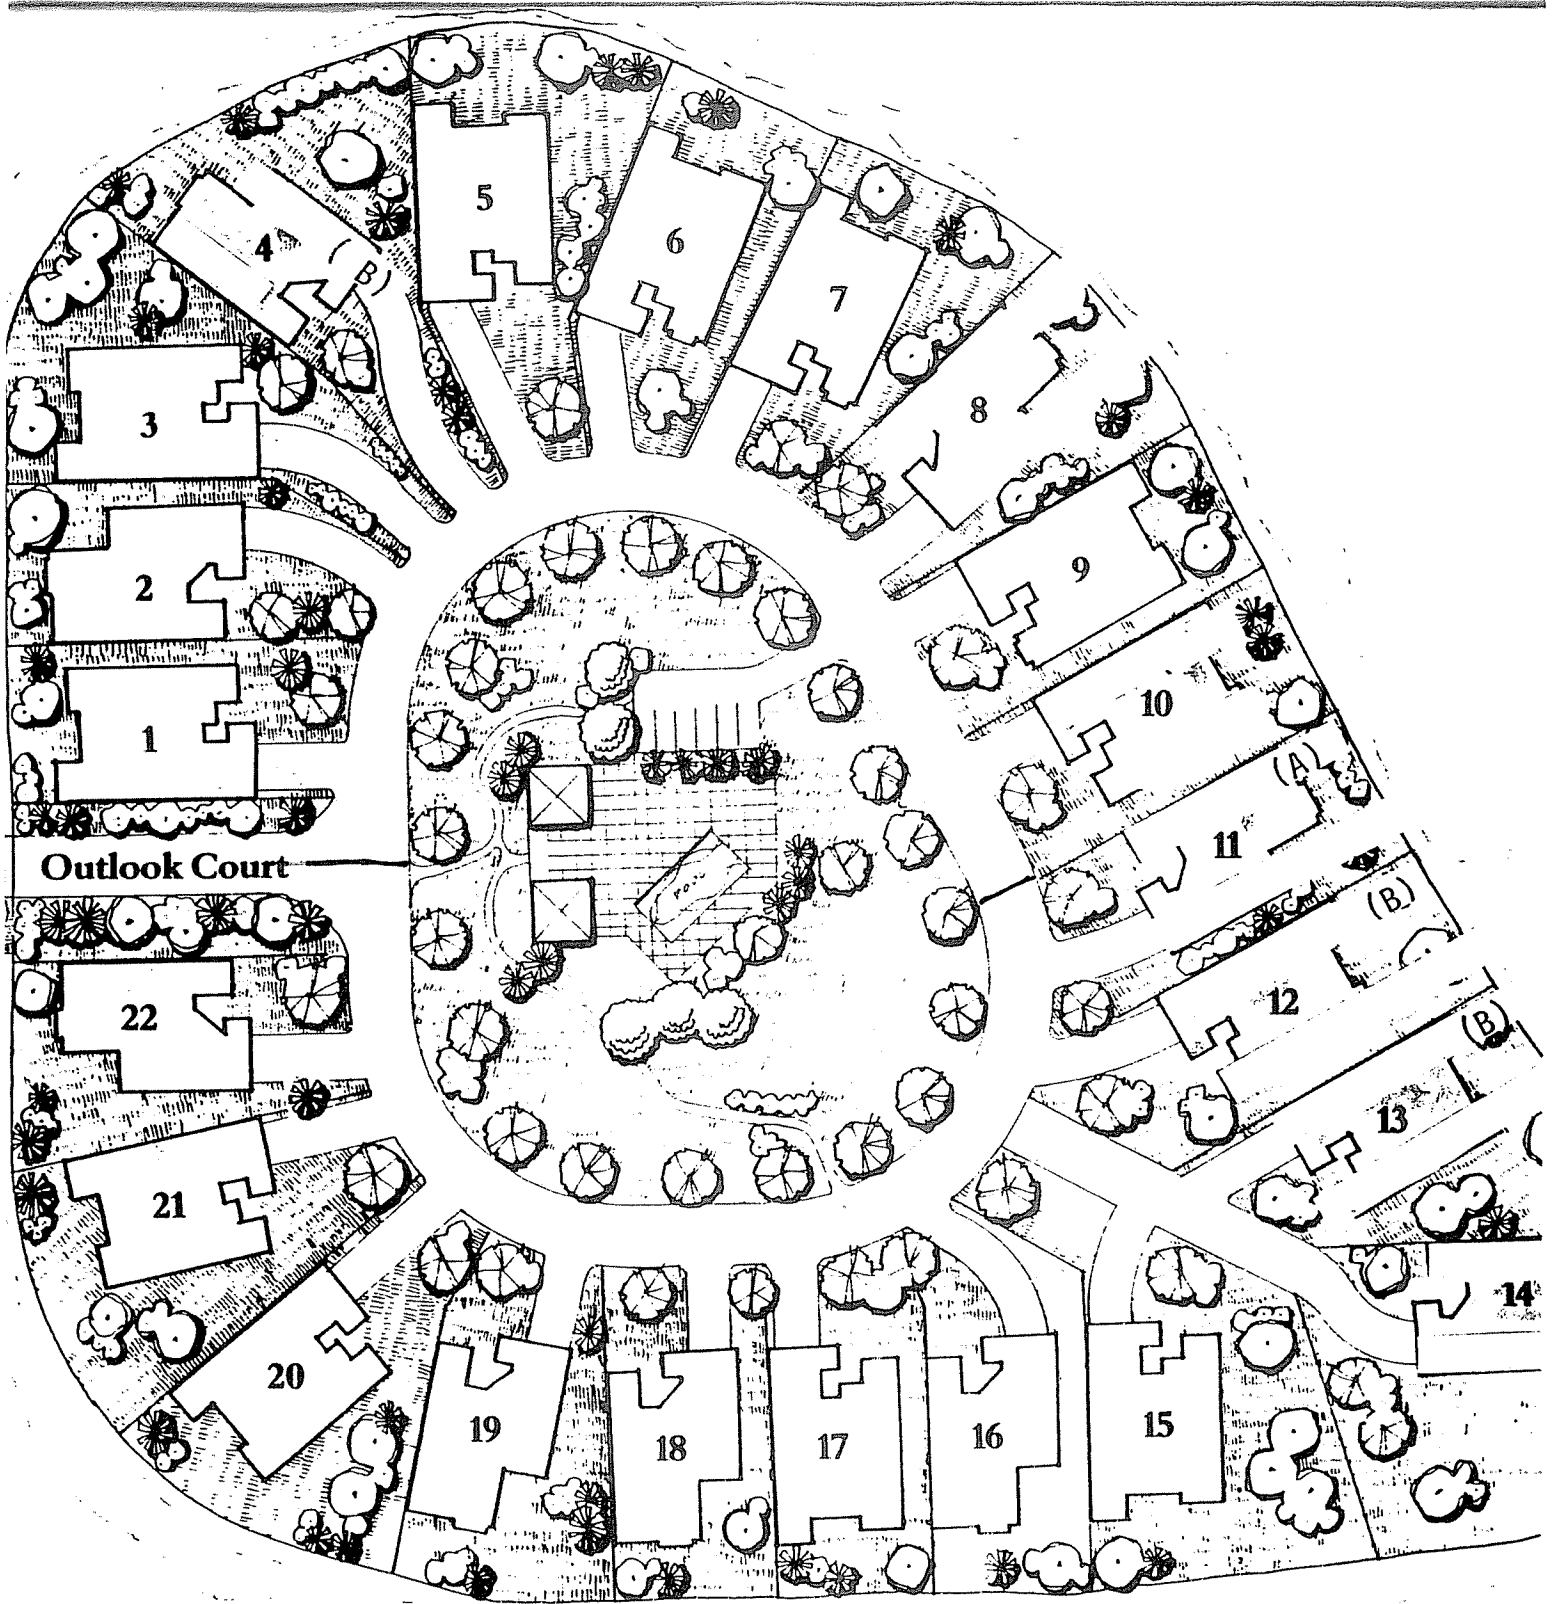

We appreciate your cooperation in completing this project, and trust you will be pleased with the results.

If you have any questions, please do not hesitate to give me a call.

Sincerely,

Christine Di Renzo, LCAM
For and on behalf of the Board of Directors

Outlook Court
