

2008 Egret Landing Fall Festival

The 2008 Egret Landing Fall festival was a huge success! Family, friends, and neighbors enjoyed the festive family atmosphere. It was good to see so many folks and it was great to welcome many new faces to the neighborhood. The event was held in front of the clubhouse on Saturday, October 18th from 4pm -7pm.

We could not have asked for a more gorgeous day. We had over 526 adults and children that enjoyed the afternoon of fun filled activities. We only had about 118 Egret Landing residents pre-register, which caused a bit of a back up at the registration table, but after receiving their

wrist bands the day went off without a hitch

A special thank you to all the merchants who helped makes this event unforgettable Bouncy Party for the three bounce houses plus the popcorn machine and the cotton candy machine. Tradewinds music provided an array of music through out the event for everyone to enjoy. The pony rides and the petting zoo were a huge hit with the kids. The cameras were flashing as the video cameras were rolling on all the excitement surrounding the kids.

The kids and adults enjoyed the face painting and caricatures while enjoying a delicious picnic BBQ catered by B & B catering. More fun was provided by B & B with the train rides for the little tikes, carnival games and of course Uncle Fun and the magician. Superior Party Rentals handled the tents and tables. As the kids moved from activity to activity, the adults relaxed while listening to music and socializing with neighbors and friends enjoyment was had by all.

A big thanks and compliments to the many hardworking volunteers and Bristol Management at this year's Fall Festival. Seeing the community come together in peace and harmony is what the Fall Festival is all about. Good time good food and looking forward to seeing everyone all next year! The Egret

Landing Fall Festival Event was successful and memorable!
