

IMPORTANT: AMENDMENTS TO COMMUNITY DOCUMENTS

from Bristol Management

Everyone in the community should cast their vote on the amendments to the Declaration of Covenants and Restrictions for Egret Landing at Jupiter. The Board feels these are important issues on which ALL members should "VOTE."

"VOTE" either Yes or No on all fourteen amendments found on pages 12-15 of this newsletter. Then turn in your "Consent to Amendment" form to the property manager's office **no later than Friday, April 15, 2011**.

The Board has authorized a one-time credit of \$25 to your account for every resident who "VOTES" either Yes or No. *If you have already voted, you will automatically receive the one-time credit of \$25 on your April quarterly billing.*

This is the Association's way of reducing its retained earnings and giving something back to all the homeowners.

Your next quarterly bill in April will include a yellow flyer reminding you to "VOTE" either Yes or No and turn in your "Consent to Amendment" forms.

Thank you to all homeowners who have already returned their consent forms in a timely manner.

If you have any questions, please contact the office at EgretLanding@comcast.net or 575-7676.

Thank You!
