September 4, 2007

DEAR SOUTHERN CAY HOMEOWNER:

On Monday and Tuesday, September 17th and September 18th, Duraseal will perform the Southern Cay road sealcoating project for the entire community. The project will take two (2) days to complete with half of the community being done each day. (Weather permitting).

Enclosed please find for your review, a map depicting the area to be completed on **Monday (North Side – Lots 15 thru 37)** and the area to be done on **Tuesday (South Side – Lots 1 thru 14)**.

In order for the surface to properly cure and to prevent tracking of the substance in driveways, we ask that you avoid driving on the new surface overnight.

By Monday morning at 8:00 a.m., it will be necessary for all residents living on the North side of the road to park your cars in unoccupied driveways, or on the street of the opposite side of the community. On Tuesday, residents living on the South side will do the same.

We appreciate your cooperation in completing this project, and trust you will be pleased with the results.

If you have any questions, please do not hesitate to give me a call.

Sincerely,

Christine Di Renzo, LCAM
For and on behalf of the Board of Directors
