

VALENCIA RULES FOR BASKETBALL HOOPS

- All hoops must be maintained in keeping with the standards of the community, including repair or replacement of torn or frayed nets.
- No hoop can intrude on a neighbor's property.
- Hoop bases cannot be in the lanes nor obstruct vehicular traffic in any way.
- Whenever possible, hoops should not be visible from the front of a home.
- Portable hoops must be garaged during a hurricane.
- Playing time is restricted to daylight hours and/or reasonable evening hours as long as it does not disturb neighbors.
- Any hoops that do not meet above rules are subject to removal – at owner's expense – by the HOA.
